

## **“The future of cryopreservation in ART”**

### **Gedeon Richter Company Symposium**

**Monday, 2 July 2018**

Chairs: Professor Dr Ariane Germeyer MD, PhD – Germany & Professor Dr Nikolaos Polyzos MD, PhD – Spain

- Freeze-all in ART: a shift in practice or still a walk on thin ice?  
*Professor Dr Michel De Vos MD, PhD – Belgium*
- Can we optimise the reproductive outcomes of fresh and frozen embryo transfer?  
*Professor Dr Peter Humaidan MD, DMSc – Denmark*
- How to optimise the ‘freeze-all’ procedure: for whom, when and how?  
*Dr Ernesto Bosch MD, PhD – Spain*
