

Study Guide: ESHRE Nurses & Midwives Certification			
Curriculum		Book Chapters/Guidelines	Webinars
A. Physiology of Spontaneous Conception	A.1. In vivo sperm and egg transport A.2. In vivo oocyte maturation A.3. In vivo fertilization A.4. In vivo implantation	<u>Clinical Gynecologic Endocrinology & Infertility, 8th Edition (PDFDrive).pdf</u> Chapter 6: Regulation of the Menstrual Cycle (<i>Complete chapter</i>) Chapter 7: Sperm and Egg transport, Fertilization, and implantation (<i>Only the following sections: 'Sperm transport', 'Egg transport'; pp243-252 and the summaries on p253, pp 258-259, p268</i>) Chapter 27: Female Infertility (<i>excluding section: 'Epidemiology of infertility in the US'; p1138-1139</i>) In-Vitro Fertilization (4th edition, 2020). Elder K and Dale B; Cambridge University Press; Cambridge, UK. Print ISBN: 978-1108441810 eText ISBN: 978-1108594387 Chapter 6: Implantation and early stages of fetal development (<i>Complete chapter</i>)	Talk of ESHRE Florence course 2018 by Dr. Inge Custers: <u>https://ecampus.eshre.eu/course/view.php?id=6243</u>
B. Epidemiology of Infertility	B.1. Prevalence	Boivin J, Bunting L, Collins JA, Nygren KG. International estimates of infertility prevalence and treatment-seeking: potential need and demand for infertility medical care. Hum Reprod. 2007 Jun;22(6):1506-12. DOI: 10.1093/humrep/dem046.	Part I of talk of ESHRE Florence course 2018 by Ms. Sara Somers: <u>https://ecampus.eshre.eu/course/view.php?id=6243</u> (Please note that the reference in the presentation to 'Calhaz-Jorge et al, 2016' should be updated to: 'De Geyter et al, 2018').

		Download PDF ESHRE ART fact sheet	
	B.2. Definitions	ICMART glossary (Complete document) Download PDF	
	B.3. Fertility (treatment) prognosis	Clinical Gynecologic Endocrinology & Infertility. 8th Edition (PDFDrive).pdf Chapter 27: Female Infertility (excluding the following section: 'Epidemiology of infertility in the US'; p1138-1139)	
C. Factors Affecting Fertility	C.1. Age C.2. Lifestyle C.3. Environment C.4. Preconception care	Schmidt et al. (2012) ESHRE Reproduction and Society Task Force. Demographic and medical consequences of the postponement of parenthood. Hum Reprod Update. https://www.eshre.eu/-/media/sitecore-files/Accreditation/Nurses/reading-list/Papers/Schmidt_dmr040.pdf Sharma et al. Lifestyle factors and reproductive health: taking control of your fertility. https://www.eshre.eu/-/media/sitecore-files/Accreditation/Nurses/reading-list/Papers/Sharma_147778271166.pdf Clinical Gynecologic Endocrinology & Infertility. 8th Edition (PDFDrive).pdf	Part II of talk of ESHRE Florence course 2018 by Ms. Sara Somers: https://ecampus.eshre.eu/course/view.php?id=6243

		Chapter 11: Amenorrhea (<i>Only the following sections: 'Hypothalamic Amenorrhea', 'Eating Disorders', 'Exercise and Amenorrhea'; p. 485-492</i>) Chapter 27: Female Infertility (<i>excluding section: 'Epidemiology of infertility in the US'; p1138-1139</i>) Chapter 30: Male Infertility (<i>Complete chapter</i>)	
D. Female Reproduction	D.1. Development of the female reproductive tract	Clinical Gynecologic Endocrinology & Infertility, 8th Edition (PDFDrive).pdf Chapter 3: The Ovary-Embryology and Development (<i>Complete chapter</i>)	Webinar by Prof. Dr. Antti Perheentupa: https://ecampus.eshre.eu/course/view.php?id=6243
	D.2. Anatomy of the female reproductive system D.3. Physiology of the female reproductive system	Clinical Gynecologic Endocrinology & Infertility, 8th Edition (PDFDrive).pdf Chapter 4: The Uterus (<i>excluding sections: 'A Teleological Theory of Endometrial Menstrual Events'; 'The uterus is an endocrine organ'; 'Reproductive function of Leiomyomas'; 'Medical treatment of Leiomyomas'; pp. 135-143 and pp. 150-155</i>)	
	D.3.1. Endocrinology and the menstrual cycle	Clinical Gynecologic Endocrinology & Infertility, 8th Edition (PDFDrive).pdf Chapter 3: The Ovary-Embryology and Development (<i>Complete chapter</i>) Chapter 4: The Uterus (<i>excluding section: 'A Teleological Theory of Endometrial Menstrual Events'; 'The uterus is an endocrine organ';</i>	

		<i>'Reproductive function of Leiomyomas'; 'Medical treatment of Leiomyomas'; pp. 135-143 and pp. 150-155)</i> Chapter 6: Regulation of the Menstrual Cycle (<i>Complete chapter</i>)	
	D.3.2. Function of the organs	Clinical Gynecologic Endocrinology & Infertility, 8th Edition (PDFDrive).pdf Chapter 3: The Ovary-Embryology and Development (<i>Complete chapter</i>) Chapter 4: The Uterus (<i>excluding sections: 'A Teleological Theory of Endometrial Menstrual Events'; 'The uterus is an endocrine organ'; 'Reproductive function of Leiomyomas'; 'Medical treatment of Leiomyomas'; pp. 135-143 and pp. 150-155)</i>	
	D.3.3. Oogenesis D.3.4. The oocyte	Clinical Gynecologic Endocrinology & Infertility, 8th Edition (PDFDrive).pdf Chapter 3: The Ovary-Embryology and Development (<i>Complete chapter</i>)	

	D.4. Diagnostic evaluation of the female reproductive system D.4.1. Medical history taking D.4.2. Physical and gynecological examination	ESHRE Good practice recommendations on add-ons in reproductive medicine (<i>Human Reproduction paper only</i>) Clinical Gynecologic Endocrinology & Infertility, 8th Edition (PDFDrive).pdf Chapter 27: Female Infertility (<i>excluding section: 'Epidemiology of infertility in the US'; pp. 1138-1139</i>) Genital examination in women: A resource for skills development and assessment (Royal College of Nursing) https://www.rcn.org.uk/-/media/royal-college-of-nursing/documents/publications/2016/march/005480.pdf	Webinar by Dr. Jon Hausken: https://ecampus.eshre.eu/course/view.php?id=6243 Gynecological ultrasound: Talk of ESHRE Florence course 2018 by Ms. Annick Geril: https://ecampus.eshre.eu/course/view.php?id=6243 ESHRE POI Guideline: Talk - ESHRE eCampus by Dr. Femi Janse: https://ecampus.eshre.eu/course/view.php?id=6243
--	--	---	---

	D.4.3. Endocrine analysis	Clinical Gynecologic Endocrinology & Infertility, 8th Edition (PDFDrive).pdf Chapter 20: Reproduction and the Thyroid (<i>excluding sections: 'Functional changes with aging', 'Thyroid function tests', 'Osteoporosis and excessive thyroxine',</i> <i>Thyroid nodules', and from 'Thyroid physiology in the fetus and the neonate' until the end of the chapter; p887-889, p895-897, p900-905)</i> In-Vitro Fertilization (4th edition, 2020). Chapter 2: Endocrine control of reproduction: Controlled ovarian hyperstimulation for ART (<i>Complete chapter</i>)	
	D.4.4. Gynecological ultrasound D.4.5. Imaging of uterine cavity and tubal patency (i.e. HSG, saline, gel, oil or foam HyCoSy, 3D ultrasound) D.4.6. Hysteroscopy D.4.7. Laparoscopy	British Medical Ultrasound Society (2021) Guidelines for Professional Ultrasound Practice (pp. 159-164): https://www.bmus.org/static/uploads/resources/2021_SoR_and_BMUS_guidelines_v1.0_.pdf Section 2 Venketash et al., (2019) Role of Ultrasound in the evaluation of first-trimester pregnancies in the acute	

		setting https://pmc.ncbi.nlm.nih.gov/articles/PMC7065984 Clinical Gynecologic Endocrinology & Infertility, 8th Edition (PDFDrive).pdf Chapter 27: Female Infertility <i>(excluding the following section: 'Epidemiology of infertility in the US'; p1138-1139)</i>	
	D.5. Diagnosing and treating pathology of the female reproductive system	Clinical Gynecologic Endocrinology & Infertility, 8th Edition (PDFDrive).pdf Chapter 27: Female Infertility <i>(excluding section: 'Epidemiology of infertility in the US'; p1138-1139)</i>	
	D.5.1. Polycystic Ovary Syndrome	ESHRE Recommendations from the 2023 international evidence-based guideline for the assessment and management of polycystic ovary syndrome (<i>Human Reproduction</i>) https://pubmed.ncbi.nlm.nih.gov/37580314	
	D.5.2. Endometriosis	ESHRE endometriosis guideline (Human Reproduction Open publication only) Download PDF
