

ESHRE Young Ambassadors 2022 – Terms & Conditions

During its 38th Annual Meeting, returning to an in-person event, with a hybrid element from 3rd to 6th July, the European Society of Human Reproduction and Embryology (ESHRE) organises a project called “Young ESHRE Ambassadors” (hereafter “the ESHRE5”).

Aims of the project

The project aims to enhance the coverage of the ESHRE Annual Meeting on social media and give a special focus on younger members of the community of reproductive health specialists.

The ESHRE5 should already be registered to the 38th ESHRE Annual Meeting when applying to become an ESHRE Young Ambassador. The tweets of the young ambassadors will be retweeted on the @theESHRE5 twitter account. The selected candidate profiles along with the ESHRE5 account will be promoted on the @eshre twitter account.
