

MERCK SYMPOSIUM at ESHRE 2016

Reducing Time to Birth through Precision, Prediction & Personalized Medicine

Monday, 4 July 2016

14:00 – 15:15

Messukeskus Expo and Convention Centre
Hall 1

Chair: **Peter Humaidan (Aarhus, Denmark)**

14:00 – 14:05

Welcome from VP Global Medical Affairs Fertility, Merck
Thomas D'Hooghe (Darmstadt, Germany)

14:05 – 14:10

Introduction
Peter Humaidan (Aarhus, Denmark)

14:10 – 14:30

Biomarker performance in the prediction of ovarian response
Antonio La Marca (Modena, Italy)

14:30 – 14:50

How to better characterize the Poor Ovarian Response spectrum to maximize treatment outcomes
Nikolaos P. Polyzos (Brussels, Belgium)

14:50 – 15:10

New technologies in predictable and personalized medicine to reduce time to birth
Carlos Simón (Valencia, Spain)

15:10 – 15:15

Conclusion and take home messages
Peter Humaidan (Aarhus, Denmark)
