ABOUT US

Bags&Go, is a specialized company with 10 years experience in integral **luggage management services worldwide**

Since 2007 we have been the official luggage service of the Port of Barcelona, so we are the only company authorized to operate on all cruise ship landings. With this level of experience, flexibility and knowledge of Barcelona we generate total confidence from our customer.

Since 2017 we join the Barcelona Convention Bureau, so we have already begun to increase our links in business tourism, incentives, congresses and meetings in Barcelona.

¿WHAT DO WE DO?

To ensure that all individual visitors and groups to the city, whatever leisure or business, enjoy maximum free time during their stay until the last moment without worrying about carrying their heavy luggage and personal effects, achieving 100% freedom of movement.

¿HOW DO WE DO IT?

With a human team specialized in the collection and delivery of all personal effects, luggage, gifts, fragile materials, etc., adapting the packaging to each need.

¿WHERE DO WE DO IT?

We transport your goods safely and efficiently anywhere in the world.

¿WHY DO WE DO IT?

How much is your time worth ? Time, like gold, is a precious commodity and we work for clients to invest and use their time in what really matters to them.

- Because we give 100% mobility for visitors to the city, avoiding extra travel caused by your luggage.
- As we can transport quantities of luggage in bulk, our service helps to reduce traffic congestion.
- Because we improve the environment and the pollution within the city.
- Because we are really good at it.
